NEW! We Are Now Accepting

Gently Used Equipment

to further help support players in our community

Friends of Hockey was formed in 2009 to provide assistance to families who could not otherwise place their children in minor hockey. FOH is a private organization that is proud to fund all or part of a child's hockey costs (registration, equipment, etc.) in the strictest of confidence. We believe that every child in Woolwich has the right to play hockey, and we want to help deserving kids lace up.

The FOH organization has been supported by the National Hockey League Players Association (NHLPA) through Dennis Wideman to provide equipment annually on behalf of their Goals & Dreams program.

For information about how you can donate to FOH, visit our webpage at <http://friendsofhockey.ca/sponsor.html>

Friends of Hockey is now accepting gently used equipment to further help support players in our community.

Hockey costs have increased significantly in recent years and families often find it difficult to devote their time and finances to athletic programs.

Friends of Hockey are there to help ensure all children in this community have the opportunity to play hockey.

Friends of Hockey is proud to partner with these organizations.
