- Presented a proposal from the Sugar Kings - Major Midget would be considered Elmira Jr. Kings. There would not be any implications from the OMHA to go to this program. The first few years are all covered by sponsors. We are trying to keep Woolwich kids in Woolwich and this mentorship program is definitely a start. All of us in favor of heading towards this direction. Tracey suggested that we should be proactive then about the midget LL teams also keeping their request in mind about extra ice.
