## From the President

Your new executive is in place and working to create an awesome hockey experience. Welcome to the new executive members and thank-you to the many existing members for all the extra time you spend.

We are really excited to introduce our new look this year. We have committed to purchase 10 sets of jerseys in the new style. We received 30 submissions to the jersey design contest. They were all really well done which resulted in a very hard decision for the selection committee to choose one winner. Congratulations to Michelle Mitchell. Michelle will receive the first new jersey to keep for her winning submission. Thanks to all who took the time to submit a design. We will be holding additional events and fundraisers to raise funds to purchase additional sets of new jerseys. Please support these events.

We have also created a new line of spirit wear. WMHA has sourced out an opportunity with Bauer that provides the best costing for Bauer equipment through Sportszone. Please review the newsletter and our website to view all the exciting items available including customized Woolwich Wildcat equipment.

WMHA has partnered with Tony Code and Woolwich Hockey Academy to provide a new line up of Player Development and Skills programs. Please check out the Newsletter and our website for more information.

Finally, let's enjoy our time at the rink with our children and friends. Hopefully the players will create friendships and memories that will last a lifetime.

See you in the rink!

Steve Hanley  
President

## **Rep Team Try-Out Schedule**

### **2012-2013 Season**

I am always amazed at how fast we come to this time of the year when everyone starts thinking of hockey and tryouts for the coming season.

As we continue to grow, changes occur and this year is no different with our Atom Rep teams playing at the AA level, along with our Minor Pee Wee team playing AA and a new Minor PeeWee AE team that will play at the A level. We will also continue to participate with the Additional Player Movement Policy.

Woolwich has made a commitment to participate fully in the Made for Ontario policy with the possibility of 3 non-resident players, playing on our Rep Teams from Minor PeeWee to Midget.

The tryouts will be open to all that qualify and have proper forms for the A level teams, all positions are open and if the non-resident players are selected during tryouts by the coaching staff they will be signed to that teams roster.

We will continue this year, a one time tryout fee of \$20 for rep teams that is payable at the first tryout the player attends.

Should a player decide not to participate during the A tryouts but then start their tryouts at the AE level it will still be a \$20 fee.

Please note that anyone wishing to tryout for a Rep team, including AE, must be at one of the first three ice times.

It is expected that players will first go to the A level tryout and then to the AE once released from the A team.

The Minor PeeWee AE aged team players may choose to tryout for the traditional AE team should they wish to play with the two age groups. It has been indicated by the registration numbers that there should be enough players to field both teams. Please note that in fielding these two AE teams our intentions are to first field the traditional AE team.

Anyone from Woolwich Township can try out for any team in their age group, but coaches can reduce the numbers after one ice time as they have limited ice available to pick their teams.

Please let your coaches know if you want to be considered for the Rep team at the first skate. Scheduling information can be found on the Woolwich Minor Hockey website at [www.woolwichminorchockey.ca](http://www.woolwichminorchockey.ca).

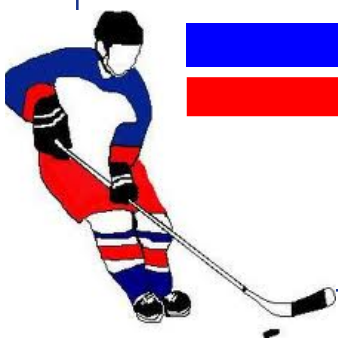

Mark your calendars with these important dates.

If there are any issues or concerns please contact Paul Wilson, Rep Convenor.

I am hopeful this year that we can keep the tryouts as positive and stress-free as possible for all players involved in this process.

Best of luck to everyone as they go through the tryouts.

*Paul Wilson VP  
Rep Hockey*

## Concussion Management

WMHA has implemented a Mandatory Concussion Program for all players atom and older. The CMRG concussion management program is the best in class and will help provide an even safer environment for our players to experience. More information to come.

WMHA has once again teamed up with CMRG and will be hosting education seminars on concussions in September.

**ImPACT Test Canada.ca**  
Presented by  
**Clinical Medicine Research Group LTD.**

### The CMRG Concussion Management Program: 4 Steps to successful concussion management

**Step 1: Education and information** - CMRG provides education and information to players, parents, leagues and officials on the signs and symptoms of concussion and what to do when a concussion is suspected.

**Step 2: Neurocognitive testing** - CMRG provides baseline and follow-up ImPACT neurocognitive testing. Baseline testing is conducted at the start of the season each year (please see ImPACT information below).

**Step 3: Proper Medical Management** - CMRG has a network of over 240 healthcare providers across the country who are trained in proper concussion management. Once a concussion occurs, we work with the athlete/parent to ensure proper management by one of our medical experts.

**Step 4: Research** - CMRG, through our medical expert network and UWO ethics, work with teams and leagues to collect valuable data on concussion incidents. This information is then presented back to the leagues in order for them to enhance education programs, discuss possible rule or equipment changes, etc.

### Overview and Features of the ImPACT Test

The following information has been used with permission by and under license from ImPACT Applications, Inc. © ImPACT Applications, Inc. 2009-2011.

ImPACT (Immediate Post-Concussion Assessment and Cognitive Testing) is the first, most-widely used, and most scientifically validated computerized concussion evaluation system.

Developed in the early 1990's by Drs. Mark Lovell and Joseph Maroon, ImPACT is a 20-minute test that has become a standard tool used in comprehensive clinical management of concussions for athletes of all ages. ImPACT Applications, Inc. was co-founded by Mark Lovell, PhD, Joseph Maroon, MD, and Michael (Micky) Collins, PhD.

Given the inherent difficulties in concussion management, it is important to manage concussions on an individualized basis and to implement baseline testing and/or post-injury neurocognitive testing. This type of concussion assessment can help to objectively evaluate the concussed athlete's post-injury condition and track recovery for safe return to play, thus preventing the cumulative effects of concussion. In fact, neurocognitive testing has recently been called the "cornerstone" of proper concussion management by an international panel of sports medicine experts.

To learn about the teams who need sponsorship for the upcoming 2012/2013 season.

## From the Equipment Room

Thanks to everyone for returning the goalie equipment from last season. About 90% of it was brought back and we were able to evaluate it before this upcoming season. Woolwich Minor Hockey will once again do our best to provide equipment for our young goalies from Mini to Major Bantam. Equipment provided includes leg pads, chest protector, trapper, blocker and throat guard. Goalies must provide their own CSA approved helmet.

To set up a time to meet at the arena for fitting, contact me at [gmayberry@rogers.com](mailto:gmayberry@rogers.com) or 519-589-6622.

Need extra socks for your hockey stars? We have some available for \$5/pair. Previously worn Woolwich game jerseys are still available! The price is \$10/jersey. Also coming this fall will be some old goalie equipment being sold that will be perfect for the backyard rinks.

## Have You Seen The New WMHA Spiritwear?!

For the 2012-2013 Season, the Woolwich Minor Hockey Association executive sourced an opportunity with Bauer and Sportzone to **provide significantly reduced prices on Bauer's premium equipment and clothing line**. Although Bauer does not sell directly to hockey clubs, we are able to partner with Sportzone (out of Waterloo) to ensure our members have the best possible cost opportunity for Woolwich spirit wear.

Our spirit wear is available at the Waterloo Sportzone location, and we will also have inventory in the Hockey Office (beginning in September) for those who prefer the convenience. The Association will arrange sizing opportunities for teams to ensure proper fit and function. Stay tuned for more on dates and locations.

We have currently sourced helmets, gloves, clothing, and hockey bags. We anticipate adding more items such as dryfit shirts, practice jerseys and helmet sticker packages. You can view the catalogue on the website at this link: <http://www.woolwichminorhockey.ca/catalogue.php>. Package bundle deals are also available to ensure you obtain the best possible deal for the upcoming hockey year.

### Sportzone Gift Cards

Sportzone is also sponsoring Woolwich Minor Hockey by donating \$5.00 to our association from every \$100 Woolwich Wildcat gift card sold. The gift cards (bearing the Wildcat logo) can be used towards anything in the store including spirit wear, skate sharpening, sticks and more. Gift cards are available for purchase at the hockey office or Sportzone. The cards will carry an on-going balance and are good until \$0. They make excellent Christmas and birthday gifts!

Sportzone is located at 92 Lodge Street in Waterloo. Call the store at 519-725-8643 or visit their website at [www.sportzonecanada.com](http://www.sportzonecanada.com).
